

art at the Co-op

Thank you for your interest in sharing art in the gallery at the downtown Moscow Food Co-op! The Co-op strives to be at the heart of a thriving, healthy, and inclusive community. We're pleased to share that we've reopened the art gallery in the deli and welcome your interest in displaying your work in this community space! Feel free to reach out to the Co-op's marketing manager at marketing@moscowfood.coop or by calling the store at (208) 882-8537 ext. 222 to learn more or inquire as to the upcoming gallery schedule.

Accepted Categories:

Pieces must be able to hang on the wall. Craft/traditional arts, photography, drawing, mixed-media/multi-discipline, painting, printmaking, and sculpture are all acceptable as long as they are able to be hung up. Artists will need to provide their own hanging hardware for each piece that works with the cable and rail system that is currently at the Co-op.

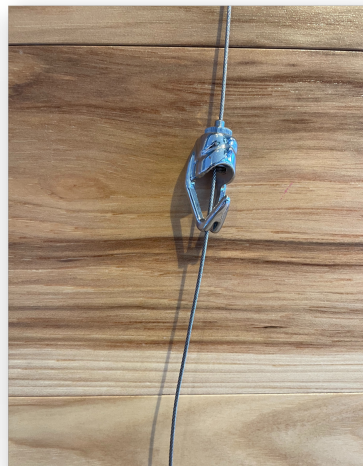

Submission Rules:

Two dimensional artwork should be ready to hang with a frame, wrapped canvas, or custom art hanging system. Maximum size (including frame) is three feet high by six feet wide. The entire gallery space measures four feet high by 14 feet wide. The gallery currently has eight horizontally-adjustable cables with 3-4 hooks on each cable. We can comfortably accommodate 10-15 pieces. All pieces must be titled, and the artist may provide custom title/price tags or we can provide them for you. All shows must be considered family viewing. Co-op staff will review each submission prior to offering a confirmed gallery show date. Learn more online at <https://moscowfood.coop/coop-art-gallery>.
