Columinate

Dear Annabelle,

We wanted to remind you that Early Bird Enrollment for Columinate's award-winning Cooperative Board Leadership Development (CBLD) Program is underway. But don't delay! You only have until October 15th to save.

We offer three options to meet your organization's needs and budget:

- **Regular CBLD,** which is our standard program, available for an annual fee of $7,875. Receive an early bird enrollment rate of $7,450 if you enroll by October 15, 2021!
- **Basic CBLD,** which is available to smaller co-ops, startups, and organizations (under $3.5 million in sales/annual revenue), for an annual fee of $5,175.
- **CBLD Complete,** which provides maximum flexibility to support your board through either additional consulting hours or a second board retreat, for an annual fee of $9,375.

I Want to Enroll!

About the Program

Your enrollment in CBLD includes unlimited registration in all of our Virtual 101 foundations class for new directors, our four-part Finance Training for Directors, our Explorations in Governance series, and a wealth of new and returning topical webinars. We hope to offer in-person CBL 101 classes in the latter half of 2022, as conditions permit. Details and a complete calendar of our 2022 online trainings will be published this fall.

Our program brochure provides additional detail about all three CBLD programs.

Ready to Enroll?

Simply review the participation agreement, choose your desired program option, and e-sign using this link or by clicking the button above. Don't forget, you'll save $425 if you complete your enrollment by October 15!

If you want have questions or want to discuss your enrollment options, please drop me a note at cbld_enrollment@columinate.coop or call at 612-275-6225.

Thank you!
Leslie Watson
