GENERAL MANAGER FYI REPORT

General Manager FYI | April 23, 2020 | No action needed

SALES

· March 2020 sales were **up 3.2 %** compared to March 2019. We rolled out changes in PF (prepared foods) in response to COVID-19, such as closing the salad bar, initially changing the hot bar from self-service to full-service, and then closing it altogether. The Campus location was closed after Spring Break because of the stay-at-home order.

- New Ownerships: New ownership rates slowed significantly with the stay-at-home order.

CUSTOMER SERVICE

- Customer Experience Survey results: Obviously the decline in “availability of products” is a result of the drastic increase in out-of-stocks (decrease in on-hand items) because of both panic buying and supplier shortages during the initial announcements regarding COVID-19.

	Mar-19	Mar-20
Overall Satisfaction	76%	69%
Availability of Staff	76%	75%
Friendliness of Staff	82%	85%
Helpfulness of Staff	81%	75%
Cleanliness of Store	73%	75%
Availability of Products	58%	36%
Greeted by Someone Other Than Cashier	72%	62%

OPERATIONS

Center Store:

- Supplier and manufacturer out-of-stocks are improving.

Produce:

- Produce supply has been consistent and sales have been through the roof.
- A Produce employee was promoted to department lead.
- Plant starts are now available.

Meat:

- Meat sales have been strong during the COVID-19 pandemic, so far.
- The walk-in refrigerator in the Meat department needs to have the compressor replaced. We're working with Yellow Duck on that.

Melinda shared the Campus store is set to open June 13 unless there are any changes to policies set by President Green or Governor Little.

The Board asked clarifying questions about Melinda's prepared report.
